

Recipe

Yo-Yo Christmas Tree Sweatshirt

Materials needed for sweatshirt:

- 22 large *Wimpole Street* Christmas yo-yos
- 14 small *Wimpole Street* Christmas yo-yos
- *Wimpole Street* mini crochet star (optional)
- 6 yards of coordinating embroidery floss
- Fleece sweatshirt
- Chenille needle
- Washable fabric glue

Cut the ribbing from the sleeves and bottom of the sweatshirt, and turn up 1" of the raw edges to the outside and press. Stitch in place with a blanket stitch, using six strands of floss.

Glue the yo-yos in place with washable fabric glue (see diagram). Glue the star to the top yo-yo on the tree.

Note: This yo-yo Christmas tree would make an attractive embellishment for a scarf, tree skirt, table runner, tablecloth or other decorative accessories for the holidays.

Note: Yo-Yos are hand-made and sizes of finished projects will vary.
