

Recipe

Yo-Yo Coasters

Materials needed for four coasters:

- 28 large *Wimpole Street* yo-yos OR 52 small yo-yos
- Heavy thread
- Needle
- Sewing machine, optional

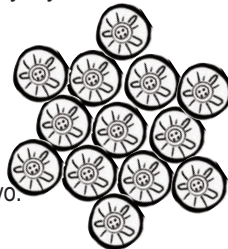

Hexagon yo-yo-coaster:

For each coaster, place six large yo-yos around a center yo-yo.

Star yo-yo coaster

Create a hexagon, then place one yo-yo between each of the yo-yos on the outside row.

Hand stitch the yo-yos together side-by-side with heavy thread, or machine-stitch together with a small, close zigzag stitch. You may also wish to fabric glue the yo-yos to a felt piece. After the glue is dry, trim around the felt so only the yo-yos are showing.

Note: Yo-Yos are hand-made and sizes of finished projects will vary.
